Mizanur Rahman
Web Developer

Email: mizanbd.eee@gmail.com
Phone: +88 01719 402933
Rajshahi, Bangladesh

Coding well-designed, testable, and efficient code is one of my strongest skills. I'm a quick learner and a hard worker whose goal is to build many web applications using React JS over the coming year. With my hardworking quality, I wish to join a company as a junior frontend web developer and make them amazed!

SKILLS:

- **Expert:** JavaScript, ES6, ReactJS, React Router, TailwindCSS, HTML5, CSS3, Bootstrap, Axios, React Hook Form, React Query.
- **Comfortable:** NodeJs, ExpressJs, MongoDB, Rest API, Context API, Firebase Authentication.
- **Familiar:** TypeScript, NextJS, React Native, Mongoose, SASS, Material UI.
- **Tools:** Git, VS Code, Chrome Dev Tools, GitHub, Netlify, Firebase, Heroku,
 Figma, PhotoShop.

PROJECTS:

- ### Red Wheels || Car Parts Manufacturer
  Live: *Click Here*   **Client code:** *Click Here*   **Server code:** Click *Here*
  1. A site where customers can order bulk amounts of products.
  2. Two separate dashboards. One for customers, One for admin.
  3. Admin can see the payment status and change the order status to ship from pending.
  4. Admin can Add, Update, and Delete (CRUD operation) products.
  5. User can give their feedback after receiving the products.

  Technology: ReactJS, React-Router-DOM, TailwindCSS, DaisyUI, Firebase, React-Hook-Form, React-Query, Axios, NodeJS, ExpressJS, MongoDB.

- ### Doctors Portal || Online Booking Site
  Live: *Click Here*   **Client side:** *Click Here*
  1. A full-stack project where patients can book their doctor visits with different time slots**.**
  2. It is a doctor's chamber website. Patients get appointments by the date.
  3. A Patient can see all the services and book an appointment.
  Technology: ReactJS, Fontawesome, React-Calender, NodeJS, ExpressJS, MongoDB

EDUCATION:

B.Sc in Computer Science & Engineering
Varendra University, Rajshahi
2022-2024

Diploma in Electrical Engineering
Naogaon Govt. Technical College
2016-2020

COURESES:

Complete Web Developement (MERN Stack)
By- Jhankar Mahabub

Think in a Redux way (React & Redux Course)
By- Learn with Sumit

LANGUAGES:

- Bangla *(Native)*
- English *(Fluent)*
- Hindi *(Communicative)*

EXPERIENCE:

Electrical Intern
(Roppur Nuclear Power Plant)
June 2021 - March 2022
